RE: MUR 6298

Dear Office of General Counsel:

I am responding to the above-referenced complaint, in which Ms. Angela Graham has made false accusations against me and my previous campaign committee, Vernon Jones for Georgia. Ms. Graham has falsely alleged that her name and signature were used on documents without her knowledge and permission for my Vernon Jones for Georgia Committee.

I have known Ms. Graham for years, and she has worked for me on previous campaigns. In fact, she served as manager for my 2004 re-election campaign for Chief Executive Officer of DeKalb County, Georgia.

At the beginning of December 2006, Ms. Graham agreed to work on my campaign for the U.S. Senate, and stated she would serve as the treasurer for my campaign committee, as she had on a previous campaign. Although she would assist with obtaining campaign funds, she stated she would only serve as treasurer if she didn't have to deal with the paperwork because she had previous problems with paperwork on another campaign. I told Ms. Graham I would ask Patricia Moore, who served as the administrative assistant for my campaign, to handle that duty for her. Ms. Graham agreed wholeheartedly. Ms. Moore also told me that Ms. Graham had confirmed the same decision with her. Around July 2, 2008, Ms. Graham informed me that she was working for another campaign for a local office, and wanted her name removed as my treasurer. I relayed Ms. Graham's decision to Ms.

Moore, and she immediately filed an amended Statement of Organization on July 3, 2008, to remove Ms. Graham's name. It has become common knowledge that emotional and personal problems may have caused Ms. Graham to divert from the truth.

Ms. Graham's allegations are unequivocally false and have been made due to political and personal differences because she is working on the campaign of the incumbent in which I am currently running against. I believe no punitive action should be taken, and respectfully request that the complaint be dismissed. Additionally, it is my understanding that all reporting requirements have been met by the Vernon Jones for Georgia Committee, and the committee was closed after our termination report was received and filed.

Sincerely,

Vernon Jones
